Autumn Term 2019

At the start of a new Academic year. In order to request items to borrow from our catalogue your school needs to be registered. Our Loan subscription is £15 per academic year; if you were subscribed last year you need to re-apply. The application form is on our website: <http://www.rsresources.org.uk/reports/RSResourcesJoinUs.pdf>

You select items you wish to borrow from our on line catalogue; but please give 7 working days notice for collection of items. If you wish to extend a loan please e-mail us so we can check that items have not been requested by others. Messages can be left on our phone 0759 997 1861 .

Faith Experiences: We worked with 2,500 young people across 15 schools last year, visiting some of these schools for more than one day. Unfortunately we were not able to book in all schools who requested an experience. Please do look ahead for booking these days, we already have some dates booked up to the end of June 2020. Details of experiences:- <http://www.rsresources.org.uk/experience/PromoLeaflet.pdf>

The RSResource Centre has been invited to Diocesan Conferences during this term for Southwell & Nottingham and also for Derby Diocese. The Centre is also a member of the Federation of RE Centres across the country, an account of FREC's Conference in Winchester last summer will soon be available.

Nottinghamshire SACRE News

Last summer there was a joint meeting with the City SACRE, when the review of the Agreed Syllabus was discussed. It is hoped that the review will commence during this academic year. You will find more up to date information on the Facebook page or our website on this. Thank you to two schools who have offered to host SACRE meetings during the academic year, as this is a great opportunity to showcase your RE work.
