## Directory of Places of Worship Nottingham and Nottinghamshire

---

This Directory lists places of worship which have indicated that they would be willing to consider hosting educational visits of young people from schools.

The contact details are given by the places of worship at the time we collated this information.

Schools are responsible for ensuring that Risk Assessment are undertaken, we do offer a generic template which may be of use.

Schools should negotiate with the places of worship their desired outcomes from such visits.

***Places of Worship are listed by the faith, not by location***
