Summer 2024

What we offer: -

On our home page there is a short film about what the Nottinghamshire RSResource Centre offers.

Loans: Subscribers borrow up to 15 items for 6 weeks at a time – please ensure artefacts are wrapped when they are returned to prevent damage as these are artefacts from the various faith communities --details on the “Join us” tab of the website.

Subscribers need to email details of what they wish to borrow as we are dealing with a technical issue with our online ordering service. **Subscriptions end for this year in July and would need renewing for next year.**

Faith Experiences: For the first time in 14 years, we have a waiting list of schools wishing to have an experience!

After 14 years of leading Faith Experiences in schools in various parts of the country, Ken is stepping down from this role at the end of July. The Nottinghamshire RSResource Centre has received some offers of help to run the loans system. We need more people to deliver our very popular Faith Experiences, which may be different next year across schools. If you are interested in finding out more, or know people who would be interested, please ask for more details.
